OBJECTIVE

Junior Web Developer looking to get an opportunity in a web development career. Skilled in HTML, CSS, JavaScript, and frontend/full-stack frameworks, I'm eager to apply my skills and learn from a supportive team. I aim to contribute to a forward-thinking organization's growth while continuously enhancing my web development skills.

WORK EXPERIENCES

2022 Manao Software Co., Ltd.

Cooperative Education

6 months

Front-end Web Developer

- Worked at a software house as a front-end developer.
- Utilized Agile and Scrum methodologies for the development process.
- Designed and developed web pages based on provided designs.
- Contributed to the development of "The Manao Meals Web Application" project.
- The Manao Meals Web Application is designed to streamline and facilitate lunch order management within the company.
- Experienced in web technologies including HTML, JavaScript, CSS, React.js, Tailwind CSS, Material UI, and Firebase.
- Successfully integrated the user interface with REST APIs.
- The development and testing of the Manao Meals Web Application yielded positive results.
- The company has successfully implemented the Manao Meals Web Application for managing food orders internally.
