OBJECTIVE

Junior Frontend Developer seeking a dynamic position to launch my career in web development. With a solid understanding of HTML, CSS, JavaScript, and frontend frameworks, I am excited to apply my skills and gain hands-on experience within a supportive team environment. Committed to producing clean and responsive code and creating seamless user interfaces, I am eager to learn from experienced professionals and contribute to the growth of a forward-thinking organization. My objective is to actively contribute to the success of the company while continuously expanding my skills and knowledge in frontend development.

WORK EXPERIENCES

2022   *Manao Software Co., Ltd.*
🕐   *Cooperative Education*
6 months   *Front-end Web Developer*
